Thank you for joining the staff at APO as we minister to women and men in unplanned pregnancies, as we promote Christian parenting, and as we promote adoption. Without financial support from generous folks like yourself, the work of this ministry could not take place.

Ultimately it's the babies that reap the benefit of our efforts. By preparing the adults in their lives to be great parents (biological parents and adoptive parents,) we sow into the next generation and prevent many social ills that follow generational cycles of poverty, abuse and neglect.

If you wish to simplify your monthly giving, you can donate by using a credit or debit card. Simply complete this form and return to APO.
